HISTORY

Athletics contests have been waged at NDAC/SU since the early 1890s when faculty and students challenged each other to tugs-of-rope in the unfinished top floor of Old Main.

SCOPE AND CONTENT

This artificially created series consists of materials held by the Sports Information Office that were transferred to the University Archives during the summer of 2006. The most complete series are Women's Basketball and Volleyball.

The first series is **Athletics General**, which includes newspaper clippings (1978–1994), and press releases (1970-2000) from all sports, press releases from the North Central Conference (1998-2004), opponents' press releases (1981-1987) and media guides for all sports (1980-1982).

The following specific varsity sports series may include general information, media guides, press releases, pre- and post-season information, programs, tournament background information, team & individual statistics, and newspaper clippings. The first sports series is **Women's Varsity Basketball** (1968-2000, bulk 1980s-1990s). Women's **Varsity Volleyball** spans 1969-2000, with the bulk covering the 1980s-1990s. The **Minn-Kota Conference** was made up of collegiate teams in both North Dakota and Minnesota and the records cover the approximate ten years it was in existence (1970s). **Women's Varsity Soccer** (1995-2001) follows. **Women's Track and Field** and **Women's Cross Country** are combined and span 1980-2002. Finally **Women's Softball** covers 1980-2006, with the bulk of the material from 1990s-2000s.

NOTE: Swimming, and Tennis files have been removed to : Former Intercollegiate Sports records
