HISTORY

It is unclear as to when the men and women's gymnastics teams were first started. An article from *The Spectrum* dated January 29, 1971 focuses on budget concerns and lack of interest with the men's team alluding to the eventual elimination of it as a recognized program at NDSU. The records in the series cover the years 1963-1973 for the men's team and 1973-1982 for the women's team. The official beginning and ending of the programs at NDSU is unknown at this time.
